

# Annual Registration & Assessment Form 2023/2024

## AIR CADET LEAGUE OF CANADA 858 SKOOKUMCHUK SQUADRON

**Fundraising and Financial Information:** The Air Cadet Program activities are funded by both the Department of National Defence (DND) and fundraising efforts of our squadron. The Squadron Parent Sponsoring Committee covers administrative costs and extra activities not funded by DND. The Air Cadet League of Canada, BC Provincial Committee covers glider maintenance and insurance, and more.

**Parental Involvement:** Parents are asked to participate in monthly parent meetings, fundraising events as well as pay an Assessment fee of **\$125**. \$100 of this fee goes to the BC Provincial Committee and the Sponsoring Committee retains the remaining \$25 to support operating costs. If this Assessment/Registration fee creates a financial barrier to registering for the 858 Skookumchuk Squadron, please contact the SSC Chair [ssc858skookumchuk@gmail.com](mailto:ssc858skookumchuk@gmail.com) for a confidential discussion.

**Advantages of the Program:** All uniforms are provided, on loan, by DND. Air cadets have the opportunity to participate in flying, gliding, ground school, first aid, drill team, effective speaking and weekend exercises. In addition, cadets have opportunities to attend various summer camps and scholarship camps, at no or minimal cost to the parents; in fact, cadets who are selected for a summer camp receive a "Training Bonus" while at camp!

**Volunteer Opportunities:** The Squadron Sponsoring Committee relies on registered and screened volunteers. Families are expected to contribute, with opportunities including driving, assisting with events, executive committee roles, canteen duty, and weekend exercises.

**Your involvement supports your child's growth, confidence, and leadership skills.**
